Dear Sir:

The undersigned received a Raw Sequence Listing Error Report mailed with the filing receipt for this patent application. In response, the applicant submits herewith the enclosed computer readable form for the computer readable form filed with the original application on January 20, 1999.

REMARKS

On March 12, 1999, the United States Patent and Trademark Office forwarded the U.S. Filing Receipt for the above-listed patent application and included a Raw Sequence Listing Error Report relating to the computer readable form ("CRF") filed with the original application. According to this report, several errors were detected during the processing of the CRF and a new CRF was requested. Attached hereto is a copy of the Error Report provided. Also enclosed is the new and corrected CRF.
